“Magic” is a good looking, very powerful, dark yellow male weighing 85 lbs. Magic is an outstanding marker and an excellent, natural liner. He is an intelligent, very trainable dog who loves to retrieve. He has lots of drive, a great water entry, and will go through or over any obstacle to get a bird. At the same time he is a gentle giant who will do anything to please his people. His offspring are winning Opens, Quals, and Derbies. One has even received a Field Champion title.

“Sue” is a good looking, hard charging, dark yellow female weighing 68 lbs. She has lots of drive and style. Sue is an intelligent, very trainable dog. She loves to retrieve and is a great house dog. Sue is a competitive Field Trial and Hunt Test dog. She completed her AKC Senior Hunter title at two and her Master Hunter title before she turned three. She also ran in three Derbies and received a judge’s award of merit (JAM) in one. She has run Field Trial Qualifying Stakes, “Jammed” six times, and “Reserve Jammed” once. One of Sue’s offspring “Workings Red River” just finished her Derby carrier with a 2nd, 3rd and 4th placement, 2 Reserve Jams and 7 Jams.
